

# On-Site Training

Untitled Document

Need training for your staff but prefer not to travel?  
Let our instructors come to your office for a flat price on any level class.

You can customize the class by selecting only the topics you need from any level in:

- Microsoft Office 2013, 2010, 2007 or 2003

- Access

- Excel

- Outlook

- PowerPoint

- Word

- Microsoft Project

- 2013

- 2010

- 2007

- 2003

- Intuit QuickBooks

- 2014

- 2013

- 2012

- 2011

- 2010

- 2009

- 2008

Â Our instructors are now available to train on any level class in MS Office, MS Project, or Intuit QuickBooks.

On-Site classes can be scheduled at your office or in our classroom.

Currently, all on-site classes are discounted with flat pricing.
